

Active Schools and Sports Development Programme

Buckie ASG Aug – Dec 2018

Active Schools Program

The Active Schools program aims to provide quality opportunities to take part in sport and physical activity before school, during lunchtime and after school. Where possible the sessions will develop effective pathways between schools and sports clubs in the local community. The sessions are generally delivered by a network of volunteers consisting of teachers, parents, school staff, students, senior school pupils and sport club coaches. We are striving to ensure that the sessions are offered for free or minimal cost. All pupils that qualify for the clothing grant will receive free spaces on all Active Schools sessions.
