

Stella's Voice - Bikes for Spring

In Partnership with Stella's Voice, Moray Council are looking for your help to distribute a large number of refurbished bikes, which are currently ready to be delivered. Stella's Voice have a huge stock of refurbished bikes and have asked for support in getting these to young people across the area, who otherwise may not have a chance to own a bike. The team are ready to bring bikes to your schools to do final adjustments and ensure they fit the young people who are identified.

Key Points-

- All bikes provided are recycled; these are not new bikes.
- Each bike comes with a helmet, lock and lights.
- Bikes will be delivered to schools for collection by families.
- School staff will be required to submit an online application for each pupil, including height and measurements.
- Scan the QR code to access the application.
